

Indiana Association of Nursing Students,

## Board of Directors

President: Heather Savage-Maierle

Vice President: Amanda Miller

Secretary: Eric Kern

Treasurer: Lisa Goldsmith

Faculty Advisor: Rene DePew

## New Board of Directors Elected

This past April the new IANS board of Directors was elected at an open board meeting in Indianapolis. At this time there are four filled positions: Heather Savage-Maierle from Goshen College will be serving as President, Amanda Miller of Indiana University will be serving as Vice

President, Eric Kern of Indiana University will be serving as Secretary, and Lisa Goldsmith of Goshen College will be serving as Treasurer. The Board has been carrying on conversation since they began term on May 1, 2010 about the need to establish new membership across the state and improve

communication with the current membership. Based on these concerns the board voted in May to establish a recruitment committee. If you are interested in being a part of the committee you should contact Heather Savage-Maierle at [heatherkm@goshen.edu](mailto:heatherkm@goshen.edu)

## Letter From the President

It's already June!  
I can hardly believe how quickly time is flying. Congratulations to all those Indiana students who graduated this spring, and all those due to graduate in December of this year - you're almost there!  
2010-11 is going to be a great year for IANS. The board is already beginning to plan for state convention, fundraising activities, and to meet with the leaders of school chapters.

Membership is key for us this coming year - does your school have an active SNA? Would you like IANS help in making it more active? Would you like IANS help you in creating a NEW SNA? All it takes is an e-mail and we'll be happy to assist.  
We would like school SNA's to send us your calendar events, we'd love articles on nursing issues from students statewide. If you've got something going on or something to say, we want to know about it!

That goes for the newsletter too - send us a submission, it's great for the students of the state and great for your portfolio as well!  
Finally, I wish to thank you all for giving me the opportunity to serve as your president.

Sincerely,  
Heather Savage-Maierle  
NS, Goshen College  
IANS President
