- 9. Adjournment 11:52
  - a. Natasha motioned
  - b. Brittney Hoge seconded and meeting was adjourned

Letter approved by Board of Directors Regarding State Wide Community Health Project

Hello,

My name is Dana Fiedler and I am the Indiana Association of Nursing Students Community Health and Disaster Preparedness Committee Director. Part of my committee's responsibilities is a statewide community project in which we raise awareness about an issue currently happening in communities around Indiana.

This year we have chosen to support the March of Dimes by raising money for the organization as well as awareness about prevention of birth defects, premature birth and infant mortality. To make this project more exciting, we have chosen to hold a competition between nursing schools across the state of Indiana to see who can raise the most money! The school that raises the most money and awareness will win a prize (to be decided). The money will be collected on March 5, 2011 at the Indiana Association of Nursing Students Annual Convention in Indianapolis, Indiana. One person from the nursing school must be present in order to win.

We are hoping that by making this a friendly competition, students will be encouraged to attend the state conference along with many other reasons.

In order to participate, please contact Dana Fiedler at [dfiedler@mail.usi.edu](mailto:dfiedler@mail.usi.edu). Questions about the IANS state convention can be directed to Heather Kathleene Savage-Maierle, the IANS president, at [heatherkm@goshen.edu](mailto:heatherkm@goshen.edu). Thank you so much and we look forward to your participation!

Dana Fiedler, Student Nurse  
IANS Community Health and Disaster Preparedness Committee Director  
University of Southern Indiana, Evansville

End Meeting Minutes
