French Lick, Indiana Annual State Convention

Keynote Speaker: Lorie Brown, R.N, M.N, J. D.

Founder at Empowered Nurses
Indianapolis, IN | Law Practice

Endnote
Speaker Chris-
topher Martorella
QHR Consultant

Thank you to all of our sponsors for attending our 2014 Indiana State Student Nursing Association Convention. Also the BOD would like to thank French Lick Springs Hotel for hosting our event!

A word from the editor,

I'm Taylor Bard, and I was the editor of this years Board of Directors Newsletters. With the help of my co-editor, Julie Swihart, we gathered information to form two newsletters for our constituents and keep our website up to date with the upcoming events. It was my goal to add as many links to our website for further outside information and reading. With this goal in mind, I completed my term with adding 8 new cites to our indiana-studentnurses.org website :)

If your business or organization would like to add any links to our website please feel free to email our newsletter editor at editorians@gmail.com and we will make sure we read all of the submission we receive.

I would just like to personally congratulate the new Boards of Directors for the year 2014-2015. By the sounds of the goals of this new board, IANS has a great year in the making and a huge Convention Planning Goal ahead of them.

I am so excited to return to the 2015 IANS Convention that your NEW BOD is currently planning:) Keep your eyes open for updates on place and time.
